Our Services

Valuations

Providing an accurate and detailed valuation of your property, machinery and other business assets is why we are here. Our team is highly experienced in providing valuations for recovery and restructuring purposes, for secured lending or analysis and reporting.

- + Individual valuations for secured lending purposes
- + Loan security reviews
- + Development appraisals
- + Portfolio valuations
- + Desk top appraisal service

Our Services

Property Advisory

We provide a full range of professional property advice to assist our clients at key decision points, including services for owners, investors and occupiers. Our services include:

- + Investment analysis and advice
- + Market analysis and reports
- + Due diligence and feasibility studies and reviews
- + Expert Witness in litigation
- + Rent review, lease renewals and rates review
- + Property recovery services

Our Services

Recovery & Restructuring

We are experts in corporate recovery and work closely with Insolvency Practitioners, businesses, their lenders and advisers. We provide a full range of services from securing the site and assets, appraisal and valuation of the property and assets, through to the marketing and sale of the property and business & machinery assets to maximise realisations. Our services include:

- + Site security and control
- + Machinery & business asset appraisal and valuation, including preparation of detailed asset registers
- + Property appraisal and valuation
- + Machinery & business asset disposal via private treaty and on-line auction
- + Property marketing and disposal of individual properties and portfolios, including commercial, industrial, land and residential
- + On-line property auctions

Plant & Machinery

We provide appraisals and valuations of machinery & business assets for secured lending and recovery purposes. Working with Asset Based Lenders we provide advice including desk top appraisals through to full RICS valuations. The team also works closely with Insolvency Practitioners on asset recovery appraisal and disposal assignments, selling via private treaty and on-line auction to maximise the sale results for our clients. Our services include:

- + Asset appraisal and valuation
- + Asset security including lift out, removal and storage at a secure site
- + Disposal services, including on-line auction and private treaty sales

Our Services

Asset
Management

Asset Management

Our dedicated and experienced team of Asset Managers offer a range of services to enhance and optimise the performance of commercial assets. We work for a range of high net worth individuals and property companies providing strategic advice from purchase through to optimising the performance on sale.

As the aspirations of today's commercial occupier become more extensive, landlords and their agent must be innovative and provide a first class service to aid tenant attraction and retention to ensure the performance of assets is maintained. Our dedicated team of asset managers focus on enhancing investment value for clients by securing rental flow and generating steady capital improvements. Our extensive services include:

- + Asset performance initiatives
- + Lease advisory
- + Strategic asset management advice
- + Business plans and forecasts
- + Void cost mitigation and business rates saving schemes
- + Service Charge Consultancy

Office Agency

Office Agency

Providing excellent market knowledge, imagination and enthusiasm, Landwood works with institutional landlords, private landlords, developers, large corporates and occupiers on a broad range of office property, both in Manchester City Centre and the wider regional markets. By carefully managing every stage of the process, our team deliver the highest level of service and ensure a seamless transaction in all facets including; lettings, sales, searches, acquisitions and disposals.

- + Lettings & Sales
- + Search & Acquisitions
- + Tenant representation

Service Charge
Consultancy

Service Charge Consultancy

Landwood Group have an experienced commercial service charge consultancy team who act for a number of landlords and occupiers. With the introduction of the Service Charges in Commercial Property 1st Edition in September 2018, effective 1 April 2019, this professional statement contains mandatory obligations for Landlord which must be adhered to. Our team undertake forensic investigations into service charge documents to release efficiency savings for tenants or to ensure compliance of landlords with their obligations. Services include the following:

- + Advice on lease interpretation and support through lease drafting
- + Advice on expenditure/budgets/sinking funds and apportionments
- + Advice on recoverability of costs of major repairs and replacements
- + Adherence to the service charge code, the requirements of landlords and rights of occupiers

Property
Management

Property Management

Our experienced and proactive team of Property Managers offer a range of services for all types of commercial property to optimise the performance and value for landlords. The service offered by our dedicated team is different from our competitors. By paying attention to detail we ensure the asset performs to the highest of standards for the landlord. Our services include:

- | | |
|---|------------------------------------|
| + Rent and financial Management (rent collection, financial reporting and service charge budget administration) | + Lease event Management |
| + Regular on site inspections and maintenance | + Service provider management |
| + Site Health and Safety Compliance | + Facilities Management services |
| + Tenant lease obligation compliance | + 24/7 Helpdesk service |
| | + Regular bespoke client reporting |
