Location

The property is positioned in Grimsargh, a village within the City of Preston some 6 miles from the City Centre. Grimsargh is a well sought after location and the area surrounding the subject site comprises agricultural land and residential properties.

The M6 at junction 31a is within easy driving distance to the South. We understand there is a regular bus service to Preston and the main railway station is just over 5 miles away.

Description

The buildings comprise the former Grimsargh House nursing home which is a large-detached building together with rear conservatory.

The site is accessed from the main Preston Road and shares an access with another residential dwelling situated to the side of the main property.

Accommodation

We are advised that the property previously provided residential care for up to 28 people with the main accommodation being planned out over ground and first floors.

The ground floor had a number of extensions.

We understand the business closed in circa March 2017.

Planning

The local planning authority is :

Preston City Council
www.preston.gov.uk

Land adjacent to the site under application 06/2018/0711 has an outline application passed for a residential use.

Applicants are requested to make their own enquiries of the planning department. A number of trees on site are believed to be subject to TPO's.

Council Tax Band

From our enquiries with Preston City Council we understand the council tax band is H.

Tenure Information

The premises are held within four separate Freehold Land Registry Titles. The four title are:

LA469553
LA493110
