PLANNING

The original planning consent was granted under reference number: APP/2015/0088- Proposed change of use from offices to provide 23 studio apartments and installation of solar panels. This was granted in 2015.

Please note, the planning is for 23 apartments, whereas the building provides 27 apartments. We are not aware of any outstanding enforcement action from the council in respect of this, and we understand due to the amount of time that has passed, the opportunity for this has now passed. We would however recommend Interested Parties obtain their own independent advice and consult direct with the Local Planning Office:
